

CONFIDENTIAL

AFOIN-2

5 OCT 1955

MEMORANDUM FOR CHIEF, OFFICE OF RESEARCH AND REPORTS
CENTRAL INTELLIGENCE AGENCY, ATTN: [REDACTED]

SUBJECT: (Conf) Evasion Geography [REDACTED]

25X1C

25X1A

25X1C

1. Inclosed herewith is rough draft of proposed Evasion Geography prepared by AFOIN-2A3 from material provided by the USAF Arctic, Desert, Tropic Information Center. In accordance with agreement reached at the USAF Evasion and Escape Conference, held at this Headquarters, 19-21 April 1955, and subsequent discussions with representatives of your office, inclosed draft is forwarded for final review and publication by your Agency. It is understood that such geography when published will contain appropriate maps and illustrations selected by your office, a section entitled "Regional Evaluation (Section I)", and will also credit the Arctic, Desert, Tropic, Information Center with accomplishment of research necessary to its preparation.

2. Your cooperation in this matter is greatly appreciated. Drafts of geographies on other pertinent areas will be forwarded for review and publication as available.

2 Incls

1. As stated (w/5 maps)(C)
2. As stated (C)
